We join in celebrating the contributions  
of two great men to national development -  
**R. E. Cooper Sr. and Godfrey Kelly**

The late Mr. Cooper was a renowned educator who helped to found  
the Prince William High School. Mr Kelly was the first Minister of Ed-  
ucation, who helped to lay the nation's educational foundations.

We Congratulate

Our Chairman of the Board

Godfrey Kelly

on his receipt of the 2016 R. E. Cooper Sr.  
National Meritorious Award for Service

A Cambridge-educate lawyer,  
Mr Kelly is the senior partner  
in the Bay Street law firm of  
Higgs & Kelly, and remains  
active in numerous business  
enterprises.

In his younger days, Mr Kelly  
was an Olympian sailor and  
he did much to support the  
continuation of sloop sailing  
in the Bahamas. In 1956 he  
helped found the Cat Island  
Regatta, which still runs  
today, and his love for sailing  
has never diminished.

As Minister of Education from  
1964, he was responsible for  
the development of sports in  
the country, and in 1966 he  
opened the Queen Elizabeth  
Sports Centre.
