*as he receives The R. E. Cooper, Senior National Meritorious Service Award*

Mr. Brown has given, and continues to give stellar and dedicated service to the people of the Bahamas as Managing Director of The Public Hospital Authority. Mr. Brown, through his contributions, has helped to make The Bahamas the great nation it is today and to ensure its continued success. Mr. Brown stands as an example of what true patriotism looks like. We, your church family are proud to hail you as a Zionite and National Builder. It is our sincere prayer that God will continue to use you in His vineyard as you seek to please Him by serving His people. And may Paul's words, in his missive to the Corinthian Church be your mantra: "...Be steadfast and immovable. Always excel in the work of the Lord, because you know that your labor in the Lord is not in vain."
